Apr 17/18	K Spitzer	D Moore	
Apr 24/25	G&E Kling	K Long	

Each weekend crew responsibilities include keeping the walks shoveled and salted between Saturday morning and Sunday evening. How you choose to divide chores is up to your team. **If you need to trade with someone, please call another person on the list.** Thank you for your help in making Rejoice a welcoming place during the winter months!

The snow blower is in the garbage enclosure, along with gas. Snow shovels and salt containers are in the upper and lower entryways. Extra salt is in the lower level stairwell.
